Our gaming
Guru Mark
Pilarski,
answers your
questions with
helpful
Strategy &
Tips & advice.

Back Door Little Joe?

Dear Mark:
The question about "Back
Door Little Joe" is referring
to the song "It Was A Good
Day" by Ice Cube. The
lyrics in question are:

...With the seven,
seven-eleven, seven-
eleven, seven
Even back do'm little
Joe. I picked up the cash
flow.

An educated guess as
to the reference would
be that since they are
likely not playing craps
on a craps table, but
rather on the ground
and shooting against a
wall or door, Cube is
likely referring to the
fact that he was able to
roll "little Joe" off the
"back do." Gavin O.

Boy, am I'm listening far too
much to lyrics like "Let's go
surfing now, everybody's
learning how"? It's probably
best that I branch out some,
but since the kid's gone off to
college and I now have
control of the television
remote and the car radio, I
won't be giving up my Oldies
107.5 anytime soon. But
thanks, Gavin, for the catch.
